ADVENT BINGO

Directions: Print one word from the Bingo Word Bank in each space on your blank Bingo card. Every space must be filled with a word. When the game begins, no other words can be added. Listen to the question that is read. Place a marker on the space if the word you have printed there is an answer to the question. The "caller" or the person reading the questions, will tell you what formation (full card, an X, a diagonal line, a vertical line, a horizontal line or four corners) wins Bingo.
