Love is patient  
 and kind; love  
 does not envy  
 or boast; it is not  
 arrogant or rude.  
 It does not insist  
 on its own way;  
 it is not irritable  
 or resentful; it  
 does not rejoice  
 at wrongdoing,  
 but rejoices with  
 the truth. Love  
 bears all things,  
 believes all things,  
 hopes all things,  
 endures all things.

 **From the Friars**

Recently the news has reported that a member of Congress, known for a number of outlandish statements and disturbing beliefs, has now attacked the Catholic Church and specifically the Bishops, referring to the Church and Bishops as Satanic.

This is a part of a larger disturbing trend of right wing politicians and right wing Church leaders using religion as a weapon. It is in the words of one author, "the danger of religious passion."

"Religious passion encourages tribalism and seeks to celebrate division between people. Opponents are described as infidels and the consequence of this is often the rise of prejudicial attitudes."

Indeed we see signs of a reinvigorated movement of prejudice in our country: prejudice against people of color, anti-Semitism, and people of different sexual orientation. Now, we see prejudice against the Catholic Church. Unfortunately, this is not the first time we have seen a movement of anti Catholicism in the history of the U.S.

This author goes on to say, "Religious passion seeks to lower standards to which we hold leaders and sets up a system where the only political choice is between a dictator, or social abyss."

Often, this new movement is presented as a return to "traditional family values". Not so hidden in the agenda is the movement to install autocratic governments, a movement to do away with the free press, and a movement toward a theocracy. It suggests to be a true Christian is to be a white person, who is politically conservative, and preferably, one who is of wealth; one who does not tolerate a person who is different than themselves.

The author and theologian CS Lewis said this, "I believe that no man or group of men is good enough to be trusted with uncontrolled power over others. And the higher the pretensions of such power, the more dangerous I think it, both to the rulers and subjects. Hence Theocracy is the worst form of Government."

Lord Acton the Philosopher once said that, "Power corrupts, Absolute Power corrupts absolutely."

Jesus teaches us in the scriptures the powerful words of the Beatitudes. He also exhorts us "to love our neighbors as we love ourselves". Therefore, no if, ands or buts; no qualifiers. He challenges us "Whoever is the greatest should be the servant of others." There are words our society needs to hear, and teachings we need to model. Let us not be complacent!

Our nation, more than ever, needs the moral voice of true Christianity, a Christianity grounded in Gospel values, not in power and prejudice.

*Fr. John O'Connor, O.F.M.*
